## Principal's Message:

### Welcome Back

Welcome back to term 4, 2019. We have got a lot of exciting things happening this term, with Golf, swimming lessons and parkour, as well as studying Gold as part of our One Schools units.

### Presentation Day

We have saved the date for Presentation Day as Wednesday 11th December and encourage you to keep the afternoon free and let your family who may wish to attend know. Official invites will be sent later in the term.

### Trivia Night

Trivia will be held at the Hampton Halfway Hotel Motel on the 9th November at 6.30pm. If parents can help set up before the event around 5/5.15pm that would be greatly appreciated. Please feel free to share the event on Facebook and let me know if you would like any posters printed to hang up in different areas.

### Transition to School for 2020

We have begun our transition to school for 2020 with a student who will be starting in Kindergarten next year. If you know anyone who may be considering sending their child to Hampton, please encourage them to make an appointment to have a school tour and engage in our transition program.

### 25th October World Teacher Day

On the 25th October is World Teacher Day, it is a great time for us to recognise the fantastic teachers we have at Hampton Public School. Encourage your children to thank

not just one but all of their teachers for the extra effort and time that they put into making their education fun and exciting! A big thank you to Mrs Bailey and Mrs Hanrahan for being wonderful teachers!

Kind Regards,

*Belinda Greer*  
Principal

*Shell Hanrahan*  
Relieving Principal

### P&C News

Trivia Night Saturday 9th November 6:30 at Hampton Halfway.

### Special Canteen

Thank you to Allison for the Hot dogs and.... In week 10 last term. We look forward to Laura cooking up a storm in Week 2.

### Community

As a small school Hampton Public School relies heavily on the support and involvement of our families and the local community. We are so privileged and grateful to have had Kaye Jenkins come in and spend time sharing her experience and knowledge of the local area as part of our local history studies.

We are also very grateful to Ann Devers, as she gives up her own time each week to come in and spend invaluable time listening to each student read and improving their literacy skills.

Our students are thriving due to your generous support!

### School Banking

School Banking for students is offered every Wednesday during school term. Well done to those students who remembered their school banking 1st week back! If your child is new to school banking or in need of a new bank book please let Katie know in the office.

### Student Rewards

Home reading, Library Borrowing and Homework are all important parts of a student's ongoing learning and development. The bond between School and Home can make a huge difference in a child's learning capabilities. As such this year we are focusing on rewarding those students who consistently take part in these activities and return their various books each week.

Well done to all students, You have all earned Term 3's reward of a trip to Bathurst Ten Pin Bowling. Stay tuned for the date and keep up the great reading habits!

# Term 4 Calendar

Please be aware dates are subject to change (wherever possible we will aim to ensure notice of changes is given well in advance).
