Principal's Message:

Dear Parents,

We have been doing lots of activities at Hampton school over the past few weeks and it's great to see the children responding so well to our busy schedule. Between visiting Capertee school to see Healthy Harold with the children of other small schools, or visiting Lithgow PCYC with Cullen Bullen school, or painting our wonderful new mural together, the children have all listened carefully, worked together and approached all tasks with enthusiasm. Really well done!

Over the next few weeks Mona and Quinn will be travelling to a debating workshop in Orange (Wed 10/5), the school cross-country will be taking place (Thurs 11/5), and Rockley PS will be visiting us to work together for a day (Thurs 18/5). The children will join in with Simultaneous Storytime (24/5) and visit Little Hartley to look at life in the past (25/5)

And of course our weekly gymnastics at the PCYC is continuing. The good news is that Katie has managed to secure the bus for another week, which means that all weeks are covered except for 7/6 and 21/6, where the PCYC bus will take us there and parents will need to make arrangements to pick the students up at 2pm. Please see me if you have any problems with transport on those dates.

Our school Cross-Country will be this Thursday at 12.45. This will be followed by an afternoon tea with the parents in the playground at 1.30. We'd love to see you here if you are available.

Our 150th Anniversary preparations are ramping up. We are meeting at school on the 16th May at 2pm to check how arrangements are going. The students are also interviewing ex-principals, teachers and students each week to see what life was like in days past. Questions have been written together and the program should be great. If you know anyone who came to Hampton PS and would love to share their story with the children, please let Katie or I know.

Of course our Transition to School program started this week with our Kinder Transition children arriving at 10am and finishing at the end of first break. We look forward to having them join us every second Tuesday. I know the children are keen to be involved, and the current students are loving to see their younger siblings in the classroom and playground
